SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:

See Continuation Sheet

Part III.

- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
- ☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: the Applicant agreed with the proposed examiner's amendment to incorporate limitation for the method based on the allowed subject matter of the issued parent case, i.e by including measuring the amount of hydrogen with the detector capable of detecting concentrations of hydrogen of on the order of 0.1 nM. Such amendment places the applicaoitn into the status for allowance..
